To whom it may concern

**ASCOT RENTALS SOLUTIONS**

We currently Rent our Laundry Equipment from Ascot Rentals Solutions and we could not hope for a better partner. They were particularly supportive of our business during the COVID-19 lockdown where our establishment was closed for 4 months. Ascot graciously did not invoice us over this period helping to relive a bit of the burden of the overheads we still had to carry.

The machinery is kept in impeccable condition and we have always found the staff to be professional and willing to go the extra mile..

We would highly recommend ASCOT to any potential customer.

Please do not hesitate to contact me should you need any further clarification.

Yours faithfully
